AFTER SCHOOL DANCE FUND

PROMOTING HEALTH, EXERCISE, HERITAGE AND UNITY THROUGH LATIN DANCE EDUCATION

MISSION

The mission of the After School Dance Fund is to provide artistic, technical and financial support for the establishment of After School Latin Dance Programs in all Montgomery County Public Schools (“MCPS”). ASDF offers its programs in an effort to combat the troubling prevalence of preventable social and health issues in the Latino community, including childhood obesity, teen pregnancy, high rates of high school drop-outs, and the devastating influence of gangs in our communities. The ASDF initiative aims to create a permanent space for participating MCPS students to be involved in a positive group activity with their peers after school. As participants in the After School Dance Programs, students will learn to showcase popular Latin dances, as well as the importance of living a healthy mental and physical life style. To this end, dance becomes a vehicle for increased cultural awareness and pride, while fostering exercise and having fun. It is the goal of the ASDF that these learned qualities will help each student become more confident person, leading them to excel in academics and paving their way into higher education.

SUPPORT AND IMPLEMENTATION

If you like to support and/or contribute to continue this program or to establish one in a PARTICULAR MCPS please send your donations or request for information to: Ricardo Loaiza, Executive Director, After School Dance Fund at afterschooldancfund@gmail.com or call 301-538-8824. Thank you!
